Subject: city photos from July 14, 2015 basement backups

Hi Gary & Sudhir:

I posted many of the photos I received from the city last week. This may be easier to review:

<http://wegottroublerighthereinrivercity.blogspot.com/2015/09/some-photos-taken-by-city-employees-and.html>

Also, I received a reply to information on the new parking being built by SOMC that will run off into our streets & sewers. I'll forward that to you with some questions as soon as I've had time to read and reflect.

Thank you.

Gary & Sudhir:

I have more photos from Cindy that I planned on forwarding to you later. She sent these four in response to those I sent you from the city. I thought I'd forward them to you.

They are extremely disgusting. The city took no responsibility. She had to get a dumpster and had it out in front of her house for weeks cleaning up the mess. Things were ruined and the city's insurance company says the city is not responsible and that it was act of God.
